## DEATH OF REV. WM. E. PELL.

We are inexpressibly pained and shocked at having to announce, this morning, the sudden death, on yesterday afternoon, in this city, of the Rev. William E. Pell, former Editor of this paper, a venerable and consistent Minister of the M. E. Church, and a most prominent and estimable citizen.

Mr. Pell was sitting at the dinner table, surrounded by his deeply attached family, when, with a simple exclamation of pain, he fell back in his chair, and his spirit ascended to the God whom he had served so long and so faithfully. He is supposed to have died of disease of the heart, and was about sixty years of age.

We have not the time, if, indeed, we were fitted for the task, to-day, to do justice to the memory of Mr. Pell. The writer of this knew him well and thoroughly, and *knows* that a more sincere and earnest Christian, a more ardent and disinterested patriot, a more scrupulously honest, truthful and candid *gentleman*, a more benevolent spirit, has rarely lived to illustrate our humanity.

Numerous friends, scattered throughout the State, will hear of his death with deep and poignant pain. We sympathize with the grief of the domestic circle in which he was the loved and honored center!

Peace to the ashes *of a good man!*

## NOMINATION FOR CONGRESS.

Just before striking off our Western edition, we received a telegram stating that John Manning, Esq., of Chatham, received the nomination for Congress by the Conservative Convention, which convened at Franklinton yesterday.

This is an excellent nomination and one that will sweep the District.

## THE PENITENTIARY.

The number of convicts now at the Penitentiary has reached the capacity of the present arrangements for their safety and comfort. There are not less than 500 convicts in the State, sentenced to the Penitentiary for short and long terms, and unless something is done to check the progress of crime among the blacks, the number must reach, in a short time, 800 thousand. This is a sad present and future.

The Commissioners are now in this city, looking to the interests of the Penitentiary. We judge they will take steps to erect at once another tier of log cells, &c., similar to those now in use, for the safety and accommodation of the convicts now coming in almost daily. This is a necessary provision, if the law is to be enforced, for the reason that twelve months must elapse before a sufficient number of cells can be provided in the Penitentiary proper.

The workmen are progressing with the work, fully as fast as the means can be provided to pay for it, although a large expense is avoided by compelling the convicts to aid in its construction. So far as we can judge, the Commissioners are entitled to credit for what provision they have already made and for the economy observed *so far*.

We are not sufficiently advised, however, as to the designs for the buildings and the contracts let, whether or not they correspond with the small means of the State. On paper, the buildings look to be very costly, and, perhaps, more ornamental than commensurate, either with our means or with strict propriety in view of the nature of the building. Turrets, and costly fixtures, on the exterior, may fit Colleges, State Houses, Asylums, and other stately edifices, where ornament may be properly considered, but a building for the punishment and correction of vice and a place of security for the vile of the land ought not in our judgment be ornamental. We would have it to appear repulsive and alarming to offenders—substantial, secure, and adapted to the requisite accommodation of the unfortunate victims of crime, but not a place to be desired. We would have every person impressed with the fearfulness and terror of the Penitentiary, rather than to make it pleasant to the eyes and a *good place* for a criminal. We hope, also, that the Commissioners have had a clear eye to the expense and to the payments, so as not to make them embarrassing to our people. The General Assembly should at an early day appoint a number *one* committee to look into all these matters.

THE LEASE.—The question of leasing the N. C. Rail Road was submitted by the meeting at Company Shops some days ago to a committee, composed of the following Stockholders, who are to report to a general meeting of the Stockholders, to be held in Greensboro in January next: Committee, Gov. Graham, P. C. Cameron, Esq., of Hillsboro, M. Ford of Concord, John L. Shaver, of Salisbury, and Dr. A. J. DeRosset of Wilmington. This is an excellent committee, in whose hands the interests of the Stockholders and the State, are safe.

## THE EVIL—THE REMEDY!

The Radical administration in this State has no parallel for its crimes, its ignorance, stupidity and blunders. No State in the South, crushed and cursed as they all have been by "carpet bag" rule, has suffered as ours. From the very outset, it is apparent there was a settled purpose to create as many offices and places to be filled as possible, and to fill them with incompetent and, in a great majority of instances, corrupt men, and to provide the amplest and most approved means for crime, peculation, fraud and robbery of the people.

If we consider the State Constitution, which it has provided, this is little else than an embodiment of crudities, complications, inconsistences, contradictions and absurdities. In the short space of two years, under the management of its peculiar friends, it has given rise to a score or two of expensive lawsuits, and any one of tolerable observation can look over it and see an endless number yet to come. It is so confused, inconsistent and, in many respects, so absurd, that the Courts are forced, virtually, to *make it*. Indeed, we could point out a half dozen instances in which the Supreme Court have already *made it*, according to their notions, and have said it means, manifestly, what it was not intended to mean. And thus a license is given the Supreme Court at once monstrous and dangerous, which the Court is ready and willing to exercise, as several recent decisions plainly show. Many of the general purposes of this Constitution are good and wise, but it is so badly worded, divided and sub divided and put together, as to make it justly subject to these unfavorable comments.

But if the Constitution is thus objectionable, the legislation, under it, is infinitely worse. We undertake to say that three-fourths of the general and special acts passed by the Legislature, have provisions intentionally sinister, and often directly in the interests of fraud and crime. Take the ordinance providing for the first general election—it required all the officers voted for, being fifteen or twenty, to be voted for on the *same ticket*, and although every Superior Court Judge and each Solicitor was elected for his own Circuit, it provided that each should be elected by the vote of the *State at large*. The manifest object of this was to force the ignorant and specially the negroes to vote the whole ticket, and to give as many of the Radical candidates, as possible, the benefit of the contrast negro vote, and to a large degree and so fix the voice of particular Districts in the State. This was a shameful outrage upon popular right and justice. And the election law now provides that every candidate for office voted for, shall be voted for on the same ticket. This provision is for the like dishonest purpose with that last above mentioned. Again, take one provision in the school law—it provides that the Board of Education shall prescribe the course of study, the books to be used in every free school in the State. This lets four or five ignorant men with "carpet bag" Ashley at their head, say what books all the children shall study, and enables them to let to great publishing house great jobs of furnishing school books. It is said this provision was *stricken out of* the act by the Legislature, but when the act was *enrolled* it was in! We could point to twenty other acts with like dishonest provisions in them. If any one will trouble himself to turn to the numerous Railroad acts passed by the Legislature, he will find that they all together undertake to appropriate a little over $20,000,000, and that every one of these acts is drawn in the loosest possible manner, and there are no reasonable provisions for the protection of the interests of the State or the Railroad Companies; but provisions are made for placing this immense sum of State bonds within the hands of a few irresponsible men, with power and liberty to do what they would with them, and throw the whole in the money markets at once; and the result shows that there was a guilty purpose to misapply and steal the proceeds of this immense amount. The bonds have been issued, and of the proceeds of the whole of them, less than $500,000 have gone into our Railroads. We repeat that an examination of all the acts passed will fully warrant the statement we have made.

Then these acts of Assembly give rise to endless litigation. Neither the members of the Legislature, nor lawyers, nor the Courts can tell what many of them mean, and hence the litigation which provokes and impoverishes every body affected by them.

The conduct of the great body of officeholders is in keeping with the laws. The Legislature was notoriously and confessedly ignorant, irresponsible and corrupt, with a few honorable exceptions. Leading Radicals and the leading organ of the administration, the *Standard*, openly proclaimed time and again, that the Legislature was corrupt and many of its members *bribed* from time to time. The work of that body put on record, contributes to the proof of its crime and infamy.

The judiciary is about as bad. Three fourths of the Judges are incapable and several of them, notoriously ignorant, while others are both ignorant and corrupt—half of them are laughing stocks and judicial nuisances, and it is seriously proposed to impeach the Chief Justice and several others of the Judges for sundry grave impeachable offenses. Many of those offenses are notorious and deeply disgraceful.

The Executive is the chief of crime and outrage as well as chief of the administration. We hazard nothing in saying that he has no equal in official turpitude. He has repeatedly committed willful violations of the Constitution of the State and the United States; he has made open war upon his own people through and by means of organized bands of armed desperadoes and robbers, selected for the purpose from this State and the State of Tennessee; he has seized by armed force without any lawful authority, scores of the law abiding, peaceful and much respected citizens of the State, and held them in durance vile and in imminent peril for weeks, while he threw some of them into loathsome dungeons to mortify, humiliate and outrage them; he has openly resisted legal process and defied the highest Courts in the State; he has time after time made his warrant on the Treasury of the State for public money without any Law authorizing him so to do; he has as often as he might appointed incompetent, and very often corrupt men to office and place, and he has wickedly encouraged and sustained in and out of office personally and through his office, the hords of "carpet baggers" who have always been prominent in schemes of public plunder and robbery, and it is charged and generally believed that he has been intimately connected with "the Ring," and reaped its profits; so much so, that some of his friends declare he is the richest man in the State. These charges are notoriously true, and he is generally regarded by all parties as an official stench and nuisance. His official crimes and outrages are so numerous and notorious, that he is infamous by common reputation throughout the nation.

These suggestions and statements are not groundless complaints and empty declamation—they are solemn truths as the people of this State know to their sorrow, injury, mortification and disgrace. They experience and have experienced the truth of what we have said, in the most sensible manner. Can any one deny it? They have recently, at the ballot box in the loudest and most expressive tones, signified their condemnation of this administration and its acts and crimes. They could not have expressed themselves more explicitly and in stronger terms.

What then are their Representatives to do? Are they to come to the Capitol to tinker away at impracticable *amendments*, making "confusion worse confounded" for two years to come! and then return to the people without doing any practical good! They cannot do so and meet their constituents in peace and favor! No indeed, they cannot. There is only one practical and speedy remedy for these crying and ruinous and blasting evils, and that is a Convention of the people, to be called at the earliest practicable day.

Let no man mistake the voice of the people as expressed in the late election.—It was tremendous and uttered under tremendous circumstances. It said we must have relief immediately and practically.—This cannot come save through a Convention. What can the Legislature do with the absurdities and inconsistencies of the Constitution within any reasonable time? What can it do with the vast number of official nuisances that taint the political health and atmosphere from the sea to the mountains? Simply nothing!

We repeat, let the Representatives of the people harken unto their voice, uttered under circumstances very peculiar. Here were the Executive, Judicial and Legislative branches of the State government hostile to them, sustained by the Federal Executive, armed bodies of men were raised and brought into the State to overawe and terrify the people, and by sinister measures, misrepresentation and fraud, 75,000 colored voters had been induced to vote almost as one man for the administration and its crimes, and yet in the face of all this effort and combination, the people have demanded relief! Can any one doubt the popular demand for relief—for a Convention!

---

The democrats say they want NINE MILLION DOLLARS to carry on the State government in 1871. Vote against democracy and for RETRENCHMENT and REFORM! VOTE REPUBLICAN!—*Wil. Post.*

We were not surprised to see the above in the *Standard*, but we had supposed the *Post* had not taken that paper as it guide. We never pick up the *Standard* to find the truth, but to see how strongly and unblushingly it retails falsehoods.

No Democrat or Conservative has said they want NINE MILLION DOLLARS to carry on the State government in 1871, or any thing like it. The SENTINEL said, from which the *Standard* made the above story, that if the present Radical Constitution and the Radical legislative programme were fully carried out, it would require over $5,000,000 to pay all the expenses to be incurred in 1871, including public schools, public interest, &c., and to carry out the Radical regime for the *next two years*, 1871-'72, the sum of nine million dollars. The Conservatives will not require that sum by millions, because we intend to put the ship on the Democratic Conservative tack, and get her away from the reefs and shoals, whither Radicalism has forced her.

---

CONVENTION.—The *Old North State* urges strongly the call of a restricted State Convention by the people. There is no division of sentiment among Democrat and Conservatives on this subject, except as to the policy of calling it at an early day. Some seem to be fearful, that the people will not agree to it so early. That sentiment seems to be confined almost entirely to those sections of the State, where the colored vote is strong. We could hardly expect a different feeling in those counties, where the whites are in a hopeless minority, but a different sentiment prevails everywhere else, and we believe the people of the State will demand it. Nay, among intelligent and instructed colored people, the feeling will become as strong as anywhere else.—The colored people are begining to learn that high taxes bear more heavily upon them than any one else. Their food, their clothing, the houses they live in, are all heavily taxed, whether they own a foot of land or not. Their food, clothing and rents would not cost half as much, if the State and National taxes were brought down to a living standard.

The *Standard* continues to repeat that a Convention will cost $200,000. We repeat it will not cost $30,000, but, if it cost $200,000, it will be a capital piece of financiering, as it would save several millions.

Reduction of Fare.—We are authorized to state that $3 50 will be the price of round trip tickets from Raleigh to Wilmington to all visitors to the Cape Fear Agricultural Fair, and a like cheap rate from all other points on the North Carolina Railroad.

Returned.—The Local has returned from his trip to the Weldon Fair, but cannot undertake a discription of his trip, for the sad dispensation, news which met him at Franklinton, of the death of Rev. Wm. E. Pell, for several weeks connected with him in conducting the Sentinel, in the absence of the Editor, has entirely unfitted him for writing to night.

Religious.—The following are the appointments for the various churches tomorrow. The gentlemen, who will officiate are members of the Baptist State Convention, now in session in this city:

*Baptist Church.*—At 11 A. M., Rev. M. T. Yates, D. D.; 3:30 P. M., Sunday School mass meeting with addresses by Rev. Messrs. Ammon, Taylor and Yates; 7 P. M., Rev. W. T. Brooks, D. D.

*Presbyterian Church.*—At 11 A. M., Rev. Levi Thorne; 3:30 P. M., Rev. Wm. Hooper, D. D.

*Methodist Church.*—At 11 A. M., Rev. J. C. Hiden; 7 P. M., Rev. Haynes Lennon.

*1st Colored Baptist Church.*—At 11 A. M., Rev. Thos. Stradley; 3 P. M., Rev. J. M. C. Luke; 7 P. M., Rev. F. H. Jones.

*Penitentiary.*—Rev. C. B. Justice.

Lecture.—We learn that Rev. Mr. Yates, the distinguished Missionary will lecture in the Baptist Church, upon matters connected with his labors in China, this evening at half past 7 o'clock. We advise all to go who would like to listen to an interesting description of China and the manners and customs of the Chinese.

The annual Conference of the M. E. Church, South, commences at Greensboro, on the 23d inst. Bishop Pierce will preside.

We are requested to say, that H. B. Hamilton, of Johnston County, will be a candidate for Doorkeeper of the House of Representatives of the next General Assembly.

The Cumberland County Agricultural Fair at Fayetteville, will be held on the 23d, 24th, and 25th of November 1870.

Club.—N. C. Borett, Esq., will please accept our thanks for the handsome list of subscribers sent us with the *cash*.

The General Assembly of North Carolina will convene in this city on Monday, the 21st instant, in the Capitol at 12 M., it being the third Monday of November.

Friends Yearly Meeting.—The yearly meeting of Friends at New Garden, Guilford county, was very largely attended, commencing last Sabbath. Many former residents in this State, came from Indiana and other States to participate and to see their old friends. The occasion was one of great interest, especially to those excellent people, the Friends.

Our friend J. W. Norwood, Esq. of Hillsboro, at the request of gentlemen in Orange County, is publishing in the North Carolina *Presbyterian*, an excellent series of articles on Agriculture, being parts of his address delivered to the people of that County. We have been intending to publish it in numbers of convenient length, but our advertisements have allowed us so little space, we have not been able to do so. They embody a good deal of information, and we should be glad to give them to our readers, in articles of not more than a column long, on the different subjects discussed.

The Radicals of Wilmington had a meeting on Wednesday night. The police were in attendance this time and by strict attention to business prevented the usual fights. Joe Abbott, who says he is not a candidate for re-election to the United State Senate, personated the character for which nature intended him ——s.

The Committee appointed by the Craven County Board of Commissioners to investigate the management of the Poor House of that county, brought serious charges against the Superintendent, one Tucker, a colored man, but this Radical Board refused to sustain their own Committee, and dismissed the case.

The Board of Commissioners of New Hanover county report to the State Board of Public Charities the following statistics:

Prisoners under sentence, 75—for the following offences: rape, 2; forgery, 1; bigamy, 1; peace warrant, 2; larceny, 47; disorderly conduct, 22. Number of unconvicted prisoners, 20—crimes not ascertained. Total number confined: males 77; females 18. Of these 8 are white and 87 colored; 64 cannot read; 31 can read; 17 are temperate; 70 drink moderately; 8 are drunkards.

Crime is on the decrease. Larceny, adultery and disorderly conduct are the crimes most prevalent.

*PROCEEDINGS OF THE STATE BAPTIST CONVENTION.*

MORNING SESSION—THIRD DAY.

The Convention was called to order at half past 9 o'clock. The usual preliminaries of reading a portion of the Scriptures and singing a hymn, were gone through with. At the conclusion of the hymn, Rev. T. B. Justice offered a prayer.

The Secretary called the roll and read the minutes of yesterday's proceedings, which were adopted.

The report of the Board of Education being the special order for this hour, (10 o'clock) it was taken up and dismissed. Rev. Messrs. James, Wingate, Walters, Overby, Boyd, Thorne, Blackwood, Weaver, Hutham and several others made remarks upon the subject-matter of the report.

After a lengthy debate the report was adopted.

During the discussion of the matter, a collection was taken up to liquidate the debts contracted by the Board of Education during the past year.

Mr. Graham offered the following resolution:

*Resolved*, That while we approve of other good plans that have been adopted for the promotion of education, we also recommend that each Association, support at least one Student of the Ministry annually, at Wake Forest, by each Church laying aside on the first day of each week the sum of 20 cents to be placed into the hands of an Associational Committee appointed to select the student and make the other arrangements.

After some debate an amendment striking out "20 cents" and inserting the words "the sum required to make up the necessary amount," was offered and adopted.

A long debate ensued upon the resolution as amended.

The principal argument against the adoption of the resolution being that Baptist Churches were independent bodies and were exceedingly sensitive at even the appearance of being dictated to by any Convention or Association, and the language of this resolution was susceptible of a dictatorial construction, and it adopted, the phraseology should be altered.

On the other hand it was argued that the resolution was merely a recommendation. It approved what had already been done and recommended a plan of future action, which was supported by Bible authority.

The resolution was put to a vote and adopted.

Rev. Mr. Walters moved to suspend the rules, to take up the report of the Committee appointed to take into consideration the propriety of establishing a Boarding or Club House at Wake Forest College for the benefit of beneficiaries. Carried.

Rev. Mr. Purefoy, from that Committee, submitted a report unfavorable to the establishment of such Boarding or Club House.

On motion of Mr. Boyd, the report was recommitted to the Committee.

UNFINISHED BUSINESS.

The consideration of the report of the Committee on Agencies was resumed.—The question recurred upon the adoption of the report.

Pending any definite result, the hour for adjournment arrived and the debate on the matter ceased.

Rev. Dr. Hooper was recognized and welcomed.

On motion, it was agreed that Rev. Mr. Yates should occupy the pulpit of the Baptist Church Saturday night.

The doxology was sung and the Convention adjourned until half past 3 o'clock, P. M.

AFTERNOON SESSION.

The Convention was called to order by the President.

Prayer by Elder G. W. Purefoy.

The consideration of the report on Agencies resumed, and, after further discussion, adopted.

Rev. J. L. Carroll introduced the following resolution which was adopted:

*Resolved*, That this Convention do now appoint a Committee to nominate an efficient Corresponding Secretary to prosecute the work of the Convention during the coming year.

Committee.—Elder J. J. James and brethren Jas. Poteat and W. H. Avera.

The report on periodicals was taken up and adopted.

On motion a Committee of three, consisting of J. H. Mills, Esq., Elders W. T. Walters and R. H. March, were appointed to confer with the Sunday School Association and request a report of the operations of that Association to this body.

On motion the Committee to settle the financial matters of the old Sunday School Board was requested to report to this body during this session.

The committee on plan to enlist the interest of the denomination in behalf of the objects of the Convention submitted an interesting report. After remarks by brothers Hufham, Pritchard, Blackwood, James, Overby, Hiden and Jordan, on motion, the report was recommitted.

On motion, the Convention adjourned.

For the Sentinel.

Emma W——, a bright little girl of seven summers, while travelling from her home in Alamance county to attend the Yearly Meeting of Friends—the Church of her ancestors—at New Garden, in Guilford county, came across, to her, quite a curiosity. In a lonely ravine by the way side was situated one of those establishments peculiar to that section of country, and one of the party remarked, "Yonder is a *still* house."

"Well," said Em., "you didn't expect to see it going about, did you?"

That child will never get a situation on Frank Wheeler's staff as illicit whisky distillation detective.

For the Sentinel.

Hon. Jo Turner: Dear Sir. In your issue of the 8th inst., you state in an editorial on Chief Justice Pearson, that you have reason to believe that Judge Pearson prompted directly or indirectly the preparation and publication of the article by "Fair Play."

In this you are entirely and totally mistaken, for I know that he had nothing to do either with its preparation or publication, and as I am a Democrat and a subscriber to your paper, I feel at liberty to call your attention to the mistake and request a correction through your columns.

SUBSCRIBER.

Statesville, Nov. 9, 1870.

We very cheerfully comply with the above request of a subscriber. Judge Pearson is entitled to the correction and we have no doubt of its correctness, as it comes from a near relation.

Information Wanted—Daniel Hill, formerly a resident of Randolph County, N. C., left Plainfield, Indiana, with the intention of returning to this State, on the 27th of last June, since when nothing has been heard of him.

SOLE AGENTS FOR THE U. S.

And have authorized them to sell their great Eureka Aluminum Gold Watches for Three Dollars, and to warrant each and every one to keep correct time for one year. This Watch we guarantee to be the best and cheapest timekeeper that is now in use in any part of the globe. The works are in double cases, Ladies' and Gent's size, and are beautifully chased. The cases are made of the metal now so widely known in Europe as Aluminum Gold. It has the exact color of Gold, which it always retains: it will stand the test of the strongest acids; no one can tell it from Gold only by weight, the Aluminum Gold being one-fourth lighter. The works are all made by machinery, the same as the well-known American Watch. We pack the Watch safely in a small box and send it by mail to any part of the United States on receipt of $3 50; fifty cents for packing and postage. A key is sent free with each Watch. Money should be sent by Post-Office Money order or in a Registered Letter. Address all orders and communications to

# TELEGRAPHIC.

## Friday Evening Dispatches.

WASHINGTON.

Washington, Nov. 11.—No definite returns to change the election results heretofore telegraphed, though the election of Farnsworth and Ing real in Illinois is claimed by the Republicans.

NEW YORK.

Albany, Nov 11.—The *Argus* claims 68 to 61 in the New York Assembly.

Later returns from Illinois are more favorable to the Democrats.

CALIFORNIA.

San Francisco, Nov. 11.—Nevada returns come in slowly. The indications are that the Democrats have carried the State, except Lieut. Governor and Congressman. The official vote will be required to decide positively the Congressional election.

Twenty thousand dollars have been recovered from the Rail road robbers.

FOREIGN.

Bazaine adheres to Napoleon and thinks the Republic a mob.

Lyons and Marseilles are orderly.

The French fleet is reported to be bombarding Hamburg. A dispatch from Berne reports Garibaldi to have surrendered.

The Prussians lost five hundred killed before abandoning Orleans. The railroad between Orleans and Tours and the bridge at Beaugency have been repaired.

The capitulation of New Brensach is confirmed. It involves 5,000 prisoners.

Garibaldi's surrender is discredited.

Prussia replies sharply to the Austrian peace overtures, that Austria having armed early in the war cannot claim neutrality. It is thought that Prussia will prefer the possession of Alsace and Lorraine to any guarantees that neutral Powers can offer.

The poorer French are much distressed by the Prussian seizure of the Savings Banks and corporation funds and communes funds, which under the French law, were placed in the custody of the State.

The Prussians have dismantled all the Brussach fortifications and taken the guns elsewhere.

The City Council of Lilla resolved that Bazaine lied when he said all Northern France desired peace at any price. He lied signally, and this body spurns a lie.

## Friday Night Dispatches.

WASHINGTON.

Washington, Nov. 11.—The cabinet to-day was probably given the first news of the political situation as affected by the recent elections.

Brown's majority in Missouri runs forty thousand. The issue was the restoration of the confederates to full civil rights.

Farnsworth telegraphs from Illinois that he is elected by 3,000 majority. [We believe his majority before was about 7,000.—Ed. Sentinel.]

SOUTH CAROLINA.

Columbia, Nov. 11.—The passenger train from Greenville, due here at 3:45 yesterday, fell through a trestle 14 miles above Columbia. The mail car, two first class and one second class passenger cars were precipitated 20 feet. Mrs. Philip Pegarty, of Charleston, Charles Joy, of Newberry, and two colored persons were killed. Col. Haynes, of Charleston, Stephen Smith, of Newberry, and a colored man, Harrison Lomax, State Senator, were fatally injured.

ALABAMA

Montgomery Nov. 11.—About 51 counties heard from in which the Democrats have 1530 majority. The remaining 14 counties will give about 5,000 more, the Democrats certainly elect 65 members of the Legislature out of 100, and probably 5 more.

Blount in the 6th, Hadly in the 3d, Dox in the 5th, Democrats, elected to Congress. Turner, negro, in the first, Buckley in the second and Hays in the seventh, radicals, elected.

FOREIGN.

Tours, Nov. 11.—The Ministry publish the following from the commandant of the army of the Loire:

"We have taken Orleans after a two day's fight. Our killed and wounded will amount to two thousand. The enemy's much larger, including one thousand prisoners. The number of prisoners is constantly increasing as we closely follow the flying enemy. Much material was captured. The latest fight was around Gouliers. Acts of the troops of extraordinary." De Paladines issued a congratulatory address.

Versailles, Nov. 11.—Von Dertann in reporting the evacuation of Orleans, says the French are not advancing along the Loire as reported.

London, Nov. 11.—Stocks are depressed on account of the rumor that Austria has joined France, and that French cruisers have made several important captures, and also of the recapture of Orleans by the French. Consols 93, Americans 87½.

New Brensach was formally surrendered today.

Gambetta orders that the drill of recruits must be completed within 20 days.

Austria denies the rumor that he denounced the plebiscitum. He considers the vote of the Cortes elected by universal suffrage sufficient.

MARKETS.

New York, Nov. 11.—Cotton firmer, sales 3200 bales, uplands 16½; Flour, State and Western 5 to 10 better, superfine 4 85 to 5 00, Southern a shade firmer; Wheat 2 to 3 better; Corn dull, new mixed Western 85; Pork 24½; Whisky 88½.

by new principles—*Cancer Antidotes*—that remove the largest Cancers and Tumors without an operation with the knife, without caustic, eating or burning medicines, and with but little pain.

No other treatment should ever be used.

For particulars, send for a circular, call upon or address either of the above.

Dr Kline will be with Dr Green, October 20th and 19th.

The Equitable

LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured, Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting", and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,091,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division; and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet. Size Bale 4½ feet x26x28x50in; wt. Bale 400 to 550 lbs.

THOS. H. BRIGGS.

READ CERTIFICATES BELOW.

PITTSBORO', N. C., May 6th, 1870.

T. H. Briggs, Esq.: Dear Sir:—I used the "Utley Cotton Press," I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612). I consider it the best and most durable Press I ever saw used, and can cheerfully recommend its use to the farmers of North Carolina. Yours truly, C. W. DUNCM.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the press upon which the *Utley Press* works cheaper, simpler and more durable than any I have met with. Yours very respectfully, JAS. B. WILDER

THOS. H. BRIGGS, Esq., Raleigh, N. C.: Sir—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen. Respectfully, E. H. FOGUE.

RALEIGH, N. C., June 18th, 1870.

T. H. BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds. Yours truly, W. T. HOWLE.

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

It costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Death losses have not occurred, out of several hundred policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and to certain legal standard of reserves and accumulation must be held by the Companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
